PERSONAL PROJECTS

MEDICAL WEBSITE (12/2024 - Present)

RESTUARANT WEBSITE (11/2024 - 11/2024)

- Developed and launched **Bistro Bliss,** a fully responsive and Visually engaging restaurant website, utilizing HTML, CSS, JavaScript, and Bootstrap. The project features an intuitive user interface, interactive menu sections, and seamless navigation to enhance customer engagement. Successfully optimized the website for both desktop and mobile platforms, ensuring an exceptional browsing experience.

DIGITAL CALCULATOR (10/2024 - 10/2024)

- Developed a fully functional digital calculator using HTML, CSS, and JavaScript, showcasing proficiency in front-end development and problem-solving. Designed an intuitive user interface with responsive styling and implemented core arithmetic operations using clean, efficient JavaScript logic. Enhanced user experience with real-time input validation and error handling.
